

## Austin Creative Reuse Reuse Market Days - Vendor Information

A few special weekends each year, ACR gathers local reuse artists inside the fenced-in side lot, and we invite the public to peruse the wares available in order to support our local reuse artist community. Come join us!

**Where:** 2005 Wheless Lane, Austin TX 78723

**Vendor Fees:** A \$10 application fee must be paid upon submission of a vendor application by the stated deadline. Application fees are non-refundable. Applications submitted without a fee and fees paid without an application submitted will not be considered. The vendor agrees to submit an additional application if their merchandise changes or they begin selling additional goods.

Each vendor will have a choice of a half or full market stall. Stalls are defined as a 10'x10' area. Vendors are responsible for providing their own tents, electricity will not be available. In general, ACR is unable to accommodate requests for specific placement within the market.
